

American Hemerocallis Society Display Garden Evaluation Form

Garden Name: _____

Garden Owner: _____

Reviewer Name: _____

Date of Visit: _____

General Garden Appearance: The garden should be well maintained and relatively free of weeds. The growing conditions and culture should show daylilies to their maximum potential. Place a check mark beside the overall appearance of the garden:

Excellent ____ Good ____ Fair ____ Poor ____

Comments:

Diversity of Collection: Although an assortment of daylily forms is desired for a display garden, it is not required. How are the following daylilies types represented?
(Use the following designations: None - Few - Balanced - Many - Predominate)

- _____ Extra-Large
- _____ Large
- _____ Small
- _____ Miniature
- _____ Doubles
- _____ Sculpted
- _____ Spiders
- _____ Unusual Forms
- _____ Polymerous
- _____ Tetraploids
- _____ Diploids

For AHS Historic Daylily Display Gardens, it is recommended that the garden contain a minimum of 50-100 historic daylily cultivars and species. Historic daylilies are defined as all daylily species plus daylily cultivars registered with the AHS on or before 1980.

Approximate number of cultivars registered before 1980: _____

Plant labels: Labels should be maintained in good condition, with the name of both the cultivar and the hybridizer showing clearly. Date of registration is optional but must be included on the plant label for historic daylilies.

Place a check mark beside all of the following about the plant labels that apply:

- _____ Names clear and easy to read
- _____ Hybridizer name present
- _____ Registration date present
- _____ Labels visible
- _____ Positioned to clearly identify a particular plant
- _____ Cultivars identified correctly

Accessibility:
