

Attention Commercial Daylily Growers!

Now you can upgrade your Available Source List ad to color!

There are two separate daylily source lists published: one is a supplement to the Daylily Journal and the other is online at the AHS website. A fee of \$20 will be charged to advertise on each list or a total of \$40 if you choose both lists. These ads are in black and white only.

This year, The American Hemerocallis Society is offering for the first time an Enhanced Online Listing. Online advertisers selecting this option will be able to include two color photos with their listing which will have a color background. Also, Enhanced Online Listings will appear first on your region's list of daylily vendors. (If there are two or more Enhanced Listings in your region, then the Enhanced Listings will be shown alphabetically above the regular, black and white listings.) Enhanced Online Listings are \$70. If you choose an Enhanced Online Listing as well as a black and white supplement to the Daylily Journal listing, your total fee will be \$90.

If you would like to advertise on the AHS Available Source List, please complete the form provided and mail your check to:

The American Hemerocallis Society
Tim Fehr, Webmaster
3115 Gregory Lane
Eau Claire, WI 54703-1139

Please send two photos for your Enhanced Online Listings to:

Tim Fehr, webmaster@daylilies.org

Please note the postmark deadline is January 15, 2009. Applications received after the deadline will be posted as soon as possible, but they will not appear online with the annual upload on February 15, but rather sometime shortly thereafter. Applications for the supplement to the Daylily Journal postmarked after January 15 can not be honored. Applications received after November 1, 2009 will be held until the following year to upload.

For those having email addresses and home page URLs, it will be possible for online viewers to link to the vendor's home page or email address directly from the AHS website via their browsers.

Please make checks payable to the American Hemerocallis Society and mail to:

Tim Fehr, 3115 Gregory Lane, Eau Claire, WI 54703-1139

**Email photo submissions for enhanced online listings to Tim Fehr at:
webmaster@daylilies.org by January 15, 2009**

**Postmark deadline for publication in *The Daylily Journal*
supplement and online is January 15, 2009**
