Instructions & Forms for the Workshop 2 Chair

I Before the Workshop

- A. Submit the Workshop Application to the AHS Garden Judge Workshop Expediter (gardenworkshops@daylilies.org) at least one month before the Workshop date. The Garden Judge Workshop Expediter will provide the essential materials and forms used during the Workshop. Most of the materials are available for preview among the Garden Judge pages on the AHS Portal.
- B. Arrange for the promotion of the workshop, and advise potential attendees they are to acquire their personal copy of "Judging Daylilies on the Garden." Students may print his/her own from the judges section on the AHS Portal or he/ she may order a printed copy at Amazon.com.
- C. Plan the Workshop 2: A \$5.00 fee is to be collected from students taking the class for accreditation, either to become a Garden Judge, or to renew their Judgeship after five years.; The fee is \$3.00 only for 'auditors' who are 'listening in.'. Have small bills available for making change.
- D. If the weather is likely to be excessively hot or humid, plan for refreshments (water), and, as best you can, for shade. In hot climates, strive to schedule the workshop at the coolest hour of the day.

II At the time of Workshop 2

- A. All workshop attendees must write their name and contact information **clearly** on the Attendance Sheet. The appropriate fee is to be collected, and indicated on the Attendance Sheet.
- B. Hand out the Workshop 2 Student Packet. Students are to complete the Registration Form, and sign it.
- C. (1) Advise the students seeking Judgeships who have already completed Workshop 1 and have passed the Workshop 1 Exam, to fill out a Judgeship Application and forward that form to their Regional President. You will be provided copies to distribute, and the form may also be printed from the AHS Portal in the Garden Judges section. (2) Judges who are renewing their Judgeships should be reminded they received a Re-Appointment Application Form earlier in the year, and that Re-Appointment Application, not the first-timers Judgeship Application, is the form to complete, and forward to the AHS Garden Judge Records Chair, sooner preferable to later. Students who have not completed Workshop 1 should plan on taking Workshop 1 at their earliest convenience.

Contact information for the Garden Judge Records Chair and for the Regional Presidents can be found on the AHS Portal.

III The Workshop

- A. Be alert to the conducting of, and progress of, the workshop. The Instructor should be discussing point scoring of daylilies and seedlings. The Instructor should review the measuring of Spider Daylilies to determine the four-to-one ratio of petal length vs petal width. The Instructors should also review the duties and expectations of Garden Judges, including Garden Etiquette and the Voting Deadline of September 1. This date allows for timely tabulation before the Fall AHS Board Meeting.
- B. If you are having multiple Instructors rotate among students at pre-planned intervals, time the intervals carefully and 'blow the whistle' at the correct times.

IV At the Completion of the Workshop

- A. Collect the Registration Forms and check that each student has signed their Sheet.
- B. Check that the Instructor has signed each Registration Form.
- 'C. Distribute Judgeship Applications to students who have qualified to apply for their Judgeships. Applications are also available at the AHS Portal. Remind Judges renewing to complete their Re-Appointment forms they received in the mail earlier in the year. The Re-Appointment Forms are also available on the Portal.
- D. Thank and congratulate the students for their support of, or and continuing support of, the AHS Garden Judging effort. Thank all Instructors and Assistants for their time and enthusiasm, and for sharing their knowledge.

IV After the Workshop

- A. Complete the 'Final Report'. Please be sure the contact information for both the Instructor(s) and the Assistant Instructor(s) appears on **either** the Attendance Sheet or the Final Report.
- B. Promptly forward the Registration Forms and unused Student Packets, your Final Report, and your check written payable to the American Hemerocallis Society to cover the workshop fees collected (please do not send cash) to:
